

## Durham PreK Family Engagement Standards

In order to develop partnerships with families and build reciprocal relationships that promote shared decision-making and authentic governance, Durham PreK sites must develop comprehensive family engagement plans that incorporate Durham's Partnership for Children (DPfC)'s 2020-2021 NC Pre-K Family Engagement Action Plan and all of the requirements listed in the Action Plan. Sites must also work with DPfC's Family Engagement Specialist and comply with the completion of Family Engagement Action Plan site visits, monitoring, surveys and assessments.

Failure to implement these required family engagement practices may jeopardize eligibility for a Durham PreK contract.
